

Agricultural corporation chun nyeon hong sam limited liability company

a three-generation red ginseng farm, the agricultural corporation chun nyeon hong sam limited liability company red ginseng.

a thousand years of red ginseng

Healthy thoughts make a healthy attitude.

A healthy attitude makes a healthy product. I have been producing products for 30 years from farming to manufacturing, production, and sales.

We strive to make products that can be eaten safely by consumers by increasing the safety of our products by obtaining HACCP certification.

We continuously manage through thorough inspection of raw materials, verified facilities, hygienic environment, and inspection by the Food and Drug Administration.
